You will need

- a laptop with EQ6 loaded and activated plus the power cable and a mouse for the laptop
- Notebook and pen
- Your lunch
- Suitable reading glasses and soothing eyedrops

tea, coffee & biscuits available throughout the day
maximum students for this class will be 14

Important information:

There is no direct internet access available at The Station. You will need to ensure that your copy of EQ6 has been **loaded and activated on the computer you are bringing to class** otherwise you will not be able to use the program on the day. Think how frustrating that would be! Find instructions for this essential step on page 8 of the user manual.
