

Saturday 18th September 2010
10am – 4pm

Squares and Layer Cakes

You've acquired a Layer Cake! But, now what? Let us help you solve that dilemma.

2 new projects you'll have to choose on the day which you want to make.

Please bring:

- 1 Layer Cake – or its equivalent – approx 40 10inch squares in at least 10 fabrics (4 squares of each).
- 1m of a background/complimentary fabric to go with your Layer Cake – this may not be needed on the day.
- Usual sewing kit
- Rotary cutter, ruler and mat plus a spare blade
- Your sewing machine & spare needles, handbook, foot pedal etc
- Your lunch
- A cushion for your comfort – the chairs can feel a bit low, and a bit hard after a couple of hours.
